

Verve Folio for Samsung Galaxy S II

Fashion-inspired leather cases hug your Galaxy S II and protect it from everyday scratches and scuffs.

Part # F8M130eb

A Second Skin for Your Galaxy S II

Full Coverage

Fashion-inspired leather cases hug your Galaxy S II and protect it from everyday scratches and scuffs. The cover flips to protect the face, while the inner lining is soft and smooth against your device.

Perfect Fit

Lightweight and form-fitting to slip easily into your pocket or purse without bulk. And when you are ready to capture a photo the top flap easily folds over to reveal the camera on the back. All cutouts give you access to controls, dock connector and touch screen.

Features

- Durable leather construction protects from scratches and scuffs
 - Rigid protective outer layer
- Cover folds back easily for camera use
 - Sleek design to minimize bulk
 - Multipurpose pocket
- Openings for docking, headphones, speaker.
